THE COMPLETE PROFESSIONAL COOKERY THEATRE

The perfect enhancement to any event, product launch, sampling or other activity requiring a kitchen.

The Local Flavours Cookery Theatre is set up with a commercial kitchen, high spec cameras, audio and video equipment and comes with a team, including technician to manage the process from set up to delivery and then break down.

Leaving you to focus on delivering your successful event.

Seen at some of the largest food events in Norfolk and Suffolk, and used by top chefs, our cookery theatre will help you create a culinary spectacular at your event.

Why choose the LOCAL FLAVOURS Theatre

- Quickest and simplest way to enhance your event with live demonstrations.
- Works inside and out and on uneven ground.
- Equipped with a full commercial kitchen - just turn up and plug in.
- Includes professional cameras, visual and audio equipment, a saving on further costs.
- Support from our experienced technical and events team - managing the area for you, from start to finish.
- Compere available, if required.
- Additional services such as sourcing chefs (maybe an additional cost).

The Local Flavours team have been supporting the local food and drink industry for over 10 years and have worked with councils, industry, education and others to provide creative activity to attract visitors to events. The Cookery Theatre is one of many event services the team can offer.
